SYNCHRONICITY: A ONE OF A KIND EXPERIENCE

The **10th Annual SYNChronicity Conference** will be held as a hybrid event.

Organized by HealthHIV, HealthHCV, and the National Coalition for LGBTQ Health, this one-of-a-kind national conference connects dynamic healthcare and public health audiences to effectively address HIV, hepatitis C (HCV), sexually transmitted infections (STIs), LGBTQ+ health, harm reduction, and health equity.

Our programming is designed to encourage participants to “SYNC” systems, data, programs, models, interventions, and policies by creating targeted solutions within a dynamic healthcare environment. The experience includes dynamic plenary sessions, multi-disciplinary institutes and track sessions, motivational videos, opportunities to network with thousands of health care colleagues, sharing lessons learned and successful strategies. The conference also offers free continuing education to all participants.

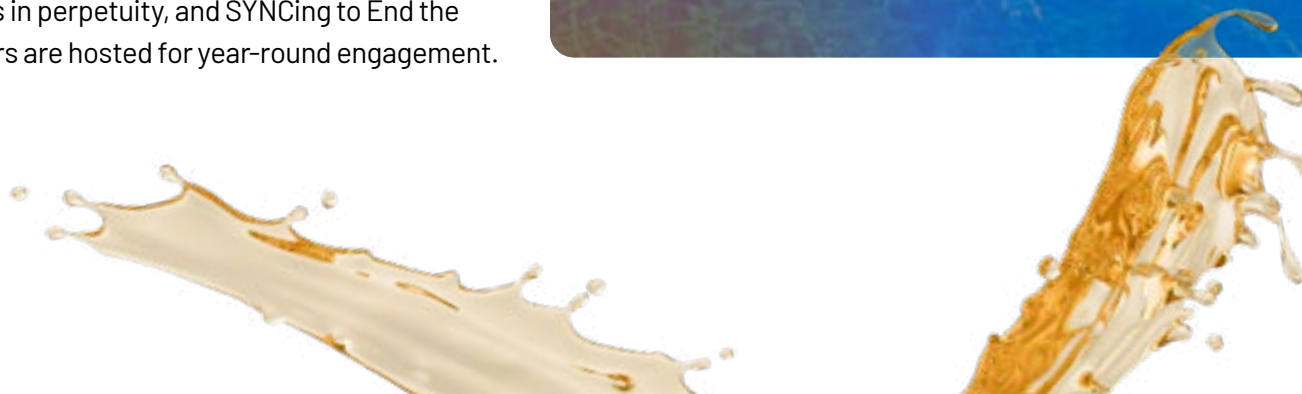

A STATE OF THE ART CONFERENCE

Through its cutting-edge website virtual conference platform, and compelling videos and graphics, SYNC sets the standard for innovative engagement with stakeholders from around the world. These platforms and strategies allow sponsors and participants to stay SYNCed year round with audiences and allow for SYNC to deliver the latest on the state of science, research, and programming. With the SYNC online presence, sponsors can place ads, links to resources, and other promotional assets which would be disseminated among the thousands of participants and broadly to all past, current, and potential SYNChronizers.

SYNCING THROUGHOUT THE YEAR

Through in-person and virtual engagement, SYNC provides a year-round conference experience that gives sponsors and exhibitors opportunities to dialogue with the healthcare community throughout the year. In addition to the robust live SYNC offerings, all SYNC content is enduring and accessible to SYNC registrants in perpetuity, and SYNCing to End the Syndemics webinars are hosted for year-round engagement.

“*HealthHIV, HealthHCV and the National Coalition for LGBTQ Health have **set a new standard** for motivational videos and virtual conferences.*”

A HIGHLY RATED CONFERENCE WITH A DIVERSE AND EXPANSIVE AUDIENCE

SYNChronicity provides a unique opportunity to connect and build relationships with a diverse range of medical providers, health care workers, government officials, faith and community-based organizations, advocates, healthcare consumers and others addressing HIV, HCV, STI and LGBTQ health across North America and around the world.

92%
said their knowledge and skills increased as a result of attending SYNC

94%
believe SYNC delivered on its overall objectives

Strong programming and useful content
cited as #1 reason for attending SYNC

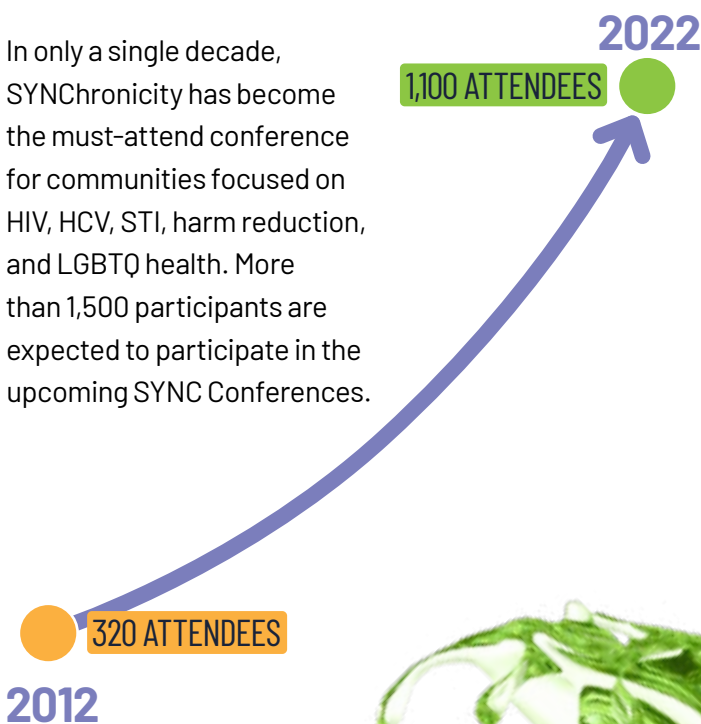

97%
would recommend the SYNChronicity conference to colleagues

SYNC means compelling content, riveting videos and multimedia, compelling speakers, and engaging community spirit.

THE SYNC DECADE

In only a single decade, SYNChronicity has become the must-attend conference for communities focused on HIV, HCV, STI, harm reduction, and LGBTQ health. More than 1,500 participants are expected to participate in the upcoming SYNC Conferences.

SYNC 2022 PARTICIPANTS

SYNC SPONSORSHIP OPPORTUNITIES

SYNC Sponsors have a unique/customized opportunity to engage our diverse audience through:

- **Plenary Session Sponsorship**

Certain sponsorship levels will allow a company to sponsor a plenary session, guiding the content and speakers of the session with brand visibility throughout.

- **Institute or Track Session(s) Sponsorship**

Certain sponsorship levels will allow a company to sponsor an Institute, a full Track or a Track Session, guiding the content and speakers of the session with brand visibility throughout.

- **Networking/Social Event Sponsorship**

Certain sponsorship levels have the opportunity for a company to sponsor a networking/social event for in-person participants, allowing for a product theatre, presentation, film screening, etc. combined with time for socializing and networking with food and drink.

- **SYNC Series Webinars**

Throughout the year, sponsors will be able to reach participants before, during, and after the conference through the SYNC Webinar series. Sponsors will be highlighted at the start and end of each webinar, and their logo(s) prominently displayed throughout the webinar. Webinars garner between 800-1,500 participants, which are recorded according to Section 508 compliance standards, and disseminated through the agency's e-newsletter, social media networks, and website.

- **Pre-Recorded Video Message to Participants**

Sponsors will have an opportunity to pre-record a video message for participants to be viewed pre, during or post conference.

- **Branding Visibility**

Sponsors will have the option of having signage and/or hyperlinked logos for their organization and/or featured programs or resources in at least one location at the in-person venue and on the virtual conference platform.

- **Exhibits (On-Site)**

Sponsors will be given the opportunity to have at least one on-site exhibit booth depending on the level of sponsorship. The on-site exhibit area enables sponsors to engage directly with participants and provide them with one-on-one information about their organization's programs, resources and services.

- **Branding on HealthHIV's Websites**

Sponsors will have the option of placing hyperlinked logos for their organization and/or featured programs on HealthHIV's websites, including HealthHIV.org, HealthHCV.org, HealthLGBT.org and PozitivelyHealthy.org. These websites collectively receive 100,000 unique page views each quarter.

- **Branding via SYNC Promotions**

Sponsors will be featured in SYNC e-newsletters and social media posts before during and after the conference. Each message will reach nearly 50,000 people. Sponsor logos and advertisements will be featured in the SYNC collateral, which will be published online. These include SYNC advertisements, the conference program, signage, and conference/session welcome signs/screens.

- **Conference Registrations**

All sponsors receive a certain number of complimentary registrations for full access to the conference, determined by the sponsorship level. Registration includes access to all live and on-demand sessions as well as all other features of the virtual conference platform. Sponsors have the opportunity to support registration-only scholarships for emerging leaders to attend SYNC.

- **Ads in the Conference Program**

All sponsors will have an opportunity to place a full or half-page ad(s) in the conference program. The number of ads permitted is dependent upon the sponsorship level.

- **Sponsor Resource Distribution**

All sponsors have an opportunity to share a specific number of resources in the on-site and virtual conference bags.
